Dear Sir

**EXTENSION OF IRRIGATION SYSTEM AT KINGHORN GOLF COURSE, KINGHORN
Work Request No. CS7600353**

Thank you very much for your company's input on the above project.

The professionalism and consideration of all your staff shown to both our staff and the golfers throughout the works has been most welcome.

The adaptability of the sprinkler heads that you selected and design layout are also commendable.

I have no hesitation in recommending your company for future projects.

Before you were awarded the contract I contacted Lundin Links and Balbirnie Park Golf Clubs and received very positive feedback on the works that you carried out for them.

Please feel free to pass my contact details to any of your prospective Clients and I will happily communicate with them directly either by email or telephone as required with a reference.

Yours faithfully
