Pitch/Marking Guidelines

Court Measurement

28m long by 15m wide maximum, to 22m long by 13m wide minimum.

Halfway Line

Parallel to the end lines and extended 15cm beyond the sidelines intersecting them at their midpoint.

Centre Circle

Radius of 1.8m from the centre of the court.

Free Throw Lines

3.6m long each drawn parallel to the end lines and 5.8m from the inside edge of the end line.

Restraining Circle

Radius 1.8m and should be continued by a broken line in the restricted area.

Restricted Area

Marked by joining the ends of each free throw line to the end line, so that they intersect the end line 3m from the centre of the end line, the width of the restricted area is 6m at the end line.

Please be advised that these are produced in good faith and Souters Sports Ltd do not accept any responsibility for any variation of dimension that may occur.

Basketball

Continued.....

Restricted Area

Three short lines 10cm in length and 5cm in width and one block 10cm in length and 40cm in width, are marked on each side of the restricted area creating three spaces extended at right angles. The lines and block are marked from the end line: First mark 1.75m, second mark (block) 0.9m is marked on both ends of the field with the centre of the arc being on the floor directly perpendicular to the centre of the basket (ie: 1.57m from the centre of the inside edge of the end line). The ends of the semi-circle are continued parallel to the sidelines and terminate at the end line.

Backboards

2m wide by 1m high, each backboard should be mounted 2.7m above the court with the basket measuring 45cm in diameter. The boards should overhang the playing court by 1.2m.

Line Width

5cm wide.

Colour

White.
